Nasim & Lamia

Dear Parents,

We would like to welcome you and your child to Bumble Bee Room. We are very confident that the learning experience here will be enjoyable for your child. We believe that developing professional rapport with parents and families is an important factor for developing trust between teachers and parents or families. For this reason, we put forward our best effort to keep in touch with you all the time.

We are very conscious about the emotions of a new child to the center. It is very difficult to a child when they first come into a new environment from their sweet home. We feel it with our heart. We try our best to give them comfort, and engage them with different activities which can increase their attraction and attachment to our daycare.

Our mission is that children of this age will learn through playing. We make our learning process age-appropriate, attractive and enjoyable.

If you have any questions or concerns regarding your child's development and behaviour, please let us know. We always encourage suggestions as a learning tool to improve our care.

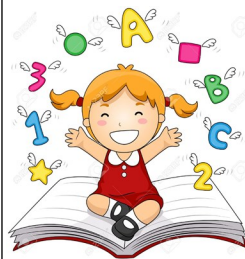

Thank you for your co-operation.

## What we are working on the next 4 months:

In September, we will be working with the children on classroom routines, getting comfortable with the teachers, and new friends, and learn how to use materials and tidy up toys after using. We will also be covering letters, shapes, numbers, and colours, the days of the week, months of the year, and the four seasons. We will do different activities and special programs for Thanksgiving, Halloween and Christmas.

LEARNING  
IS  
FUN

## LADYBUG'S NEWS

Anna & Phoebe

### Dear parents,

Welcome new and continuing families!

It is hard to believe that summer is nearing its end and fall is right around the corner. I hope you all had a wonderful summer. Another busy school year has begun and our preschool class as always is in full swing. We are looking forward to working with children in the preschool 1 class. The new teachers—Anna and Phoebe are here to enrich the lives of your children with nursery songs and movements, learning circles, sensory, and science experiences, crafts etc.

We have been encouraging our preschoolers to practice self-help skills, such as dressing by themselves, serving or feeding themselves without help. Improving self-help skills is an important part of preschool education, as children have to become independent. Parent involvement is the foundation of success and it requires home cooperation. Please, give your child more time and opportunities to build his/her self-help skills at home.

Thank you for your continued support and have a wonderful autumn!

### FALL SONG AND FINGERPLAY

♪Ten little apples high in a tree♪

(hold up ten fingers over head)

Five for you and five for me (hold out one hand, then the other)

Let us shake the tree just so, (pretend to shake the tree)

And then red apples will fall below (count on fingers )

1-2-3-4-5-6-7-8-9-10

### REMINDER

As the weather gets cooler, please keep a light jacket in your child's cubby. We will be going outside every day if the weather is permitted.

As always, any questions, concerns and suggestions are welcome. Please feel free to come and share with us.

## BUTTERFLY'S NEWS

**Faith & Amy**

### Welcome to the New School Year!

This summer was filled with lots of fun activities and exciting events. We hope everyone had a wonderful summer. We extend our warm welcome to the new and returning families.

We are off to a great start for the 2019-2020 school year! With our experience and knowledge, we will help your child have high self-esteem and a love for learning,

We take an Emergent Curriculum which is based on the children's interests and passions as well as the teacher's. Everyday we will observe the children as they play with friends and toys, show their interest in a particular subject and explore new things. We will listen to the children patiently when they ask questions. Based on this daily documentation we make the next week's program. Our program includes 5 developmental areas which are cognitive, social, emotional, language and physical.

We have high expectations for your child and look forward to seeing him/her blossom into a successful student. If you have any questions about our program or your child's progress/behaviour, please contact us any time.

Thank you for your continued support and cooperation!

### Announcements

#### For safety purposes,

- Please do not send your child to daycare wearing jewelry( i.e. necklaces, dangle earrings)
- All children should wear shoes appropriate for outside play each day.
- Do not bring a toy from home.
- Please do not give your child gum or hard candy before arriving. These are not permitted in daycare and present a choking hazard.
- Please make sure that your pick up information is complete. It is the daycare policy that we can only release your child to someone with your written authorization accompanied with a photo ID.
- If you want to celebrate your child's birthday, please talk to the teachers in advance.
- Please try to have your child potty-trained by age three (we will work together!)
- Check your child's cubby and always have an extra set of clothes available when needed.
