New Year's Day  
Daycare closed

As we begin a rather different start to the school year, I want to take this opportunity to welcome all new and returning families.

The last few months have been challenging for all of us. Although there are still many unknowns, we are grateful to be open again. We are navigating the "new normal" that includes everything from enhanced health and safety measures to new parent and staff policies. We look forward to welcoming you into safe, inclusive and engaging learning spaces.

### Just a reminder . . .

As we are entering the fall season, please provide your child with a few articles of warmer clothing in the cubby.

### Allergy Policy

Cheer Day Care Centre is a nut free environment. Do not bring any food from home. We appreciate the parents' continued support for the safety of other children.

### Medicine Policy

During this pandemic time, we do not administer any medicine to your child. The exception is only to children with severe allergy with

an Epi-pen on site.

Please keep your child at home if he/she is not feeling well. The child will be sent home if shown any signs /symptoms related to a cold or flu.

### Late Fee Policy

Cheer Day Care hours are from 7 am to 6 pm. Please pick up your child on time. If you must be late, a fee will be charged and is payable at pickup time to the teacher on duty. The charge is \$10.00 per child for every 15 minutes or part thereof.

## Friendly Reminders:

1. If you notice any signs of illness, please keep your child at home and call the daycare office in the morning.
2. As the cold & flu season is approaching, please have your child dressed appropriately for the weather. Even though the weather is getting colder, we are still going outside for gross motor activities.
3. Have your child bring in a full set of spare clothes in a bag with their name on it.

Dear Parents,

We are off to a wonderful start.

We are very excited to begin the 2020-2021 school year with your child. The children are happy and adjusting to the new circumstance nicely.

The children are following the safety protocols and new guidelines well including washing their hands frequently, wearing a mask, maintaining social distancing and placing every toy used once in a box for disinfection to prevent the chance of spreading germs.

This year we will focus on not only children's academic skills but also self-help skills to build self-esteem.

If you have any concerns about your child, please do not hesitate to contact the classroom teachers.

Thank you for your support!
